

Writing **represents** a lot

It represents **stress** for some and **relaxation** for others

IT DOESN'T HAVE TO BE ABOUT JUST **WORDS ON A PAGE**

Sentences in a paragraph

Paragraphs in an essay

It doesn't have to be **lather, rinse, repeat**

Writing can be *analytical, creative, reflective*

Writing comes in all **shapes** and sizes:

scripts, POEMS, essays, articles

Writing is within us all, but

WHERE IT DIFFERS IS **HOW WE USE IT**

for what we use it

and what form we put it in
